

ELIPSS, a French probability-based web panel dedicated to social science research

Emmanuelle Duwez

10.05.2019

The ELIPSS panel

- The quantitative part of the Dime-SHS EquipEx (ANR-10-EQPX-19-01)
- Probability based internet panel
- Internet access given to each panelist (touchscreen tablet & 4G subscription)
- Monthly questionnaires designed by researchers (up to 30 minutes per month)
- Pilot from 2013 until 2016 / Main panel from 2016 until 2019

Target population and sample

	Pilot recruited in 2012-2013	Main panel recruited in 2016
Universe	18-75 Metropolitan France	18-79 Metropolitan France
Gross sample	4500 households from 2011 census	9000 households from 2014 census
Recruitment mode	Mail, phone, face-to-face	Face-to-face
Number of panelists	1039	2523
Recruitment rate (HH)	35%	43.5%
Recruitment rate (IND)	27%	32%
Biases	Regional distortions Underrepresentation of young people Overrepresentation of educated people and internet users	

Attrition and response rates

- **Participation rate : higher than 80%**

- **Attrition rate :**

- 2013-2016, **7 % per year**
- Since 2016, **around 10 % per year**

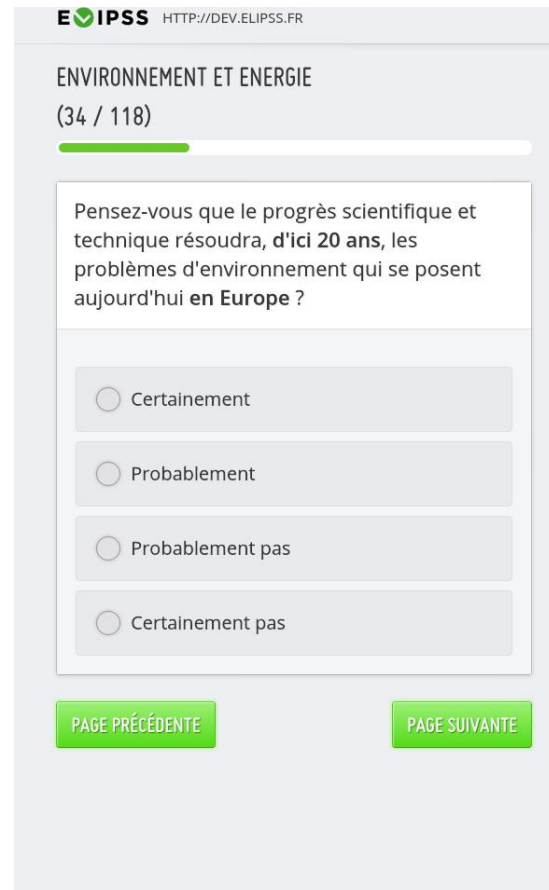

- More deviation from the reference population for **diploma degree and age variables**
- The most difficult to maintain in the panel: the oldest and last educated

Data collection

- All panelists answer on the ELIPSS app pre-installed on 8- inch tabs

- Maximum measurement equivalence
- Some technical limitations (connectivity, screen size)
- Classical questions (Radio buttons, check boxes, scales, numerical, etc.) and even more (picture, maps, games, etc.)

Data collection and field monitoring

- 5 weeks to answer a 30 minute questionnaire
- Follow-up of the response rate and problems related to the equipment (breakages, connexion, application, etc.) + a phone permanence
- Reminders according to the participation profile : grouped and personalized

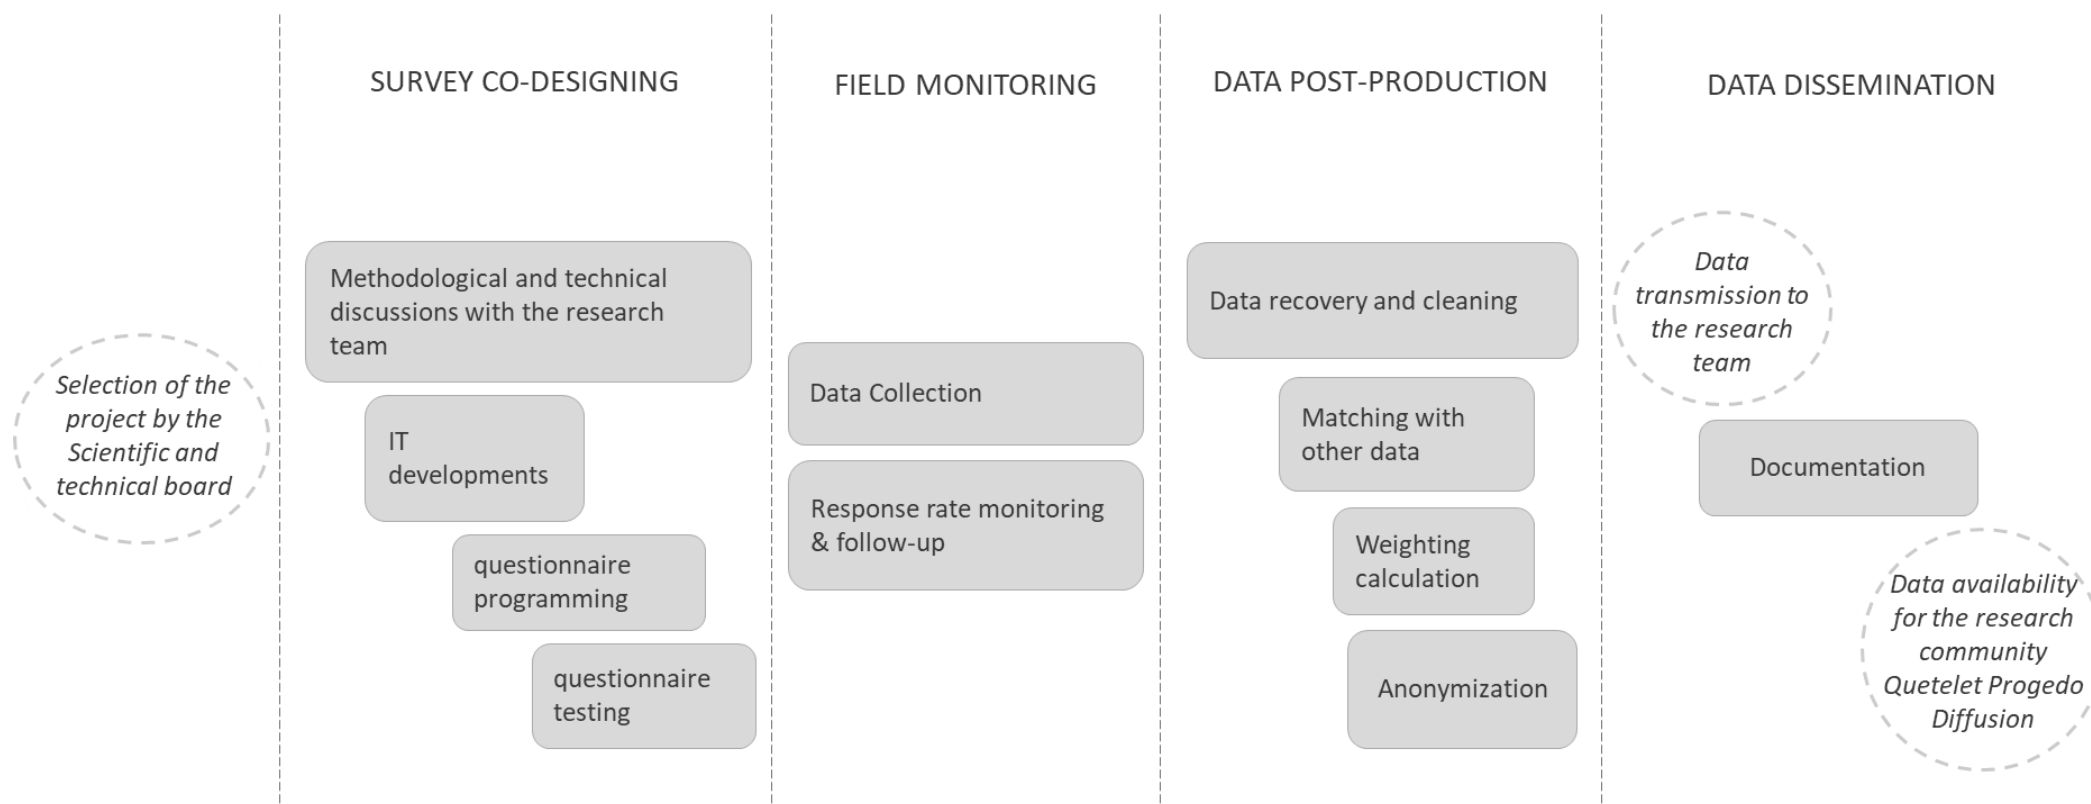

Non-participation profile :	Non-respondent	Sleepy	Invisible
Définition	Have not yet completed the current field	Did not respond to the previous field, nor to the current one.	Did not respond to 2 successive fields, in addition to the current one
Reminder	ELIPSS application message and/or SMS	2 calls per month	Letter once a month

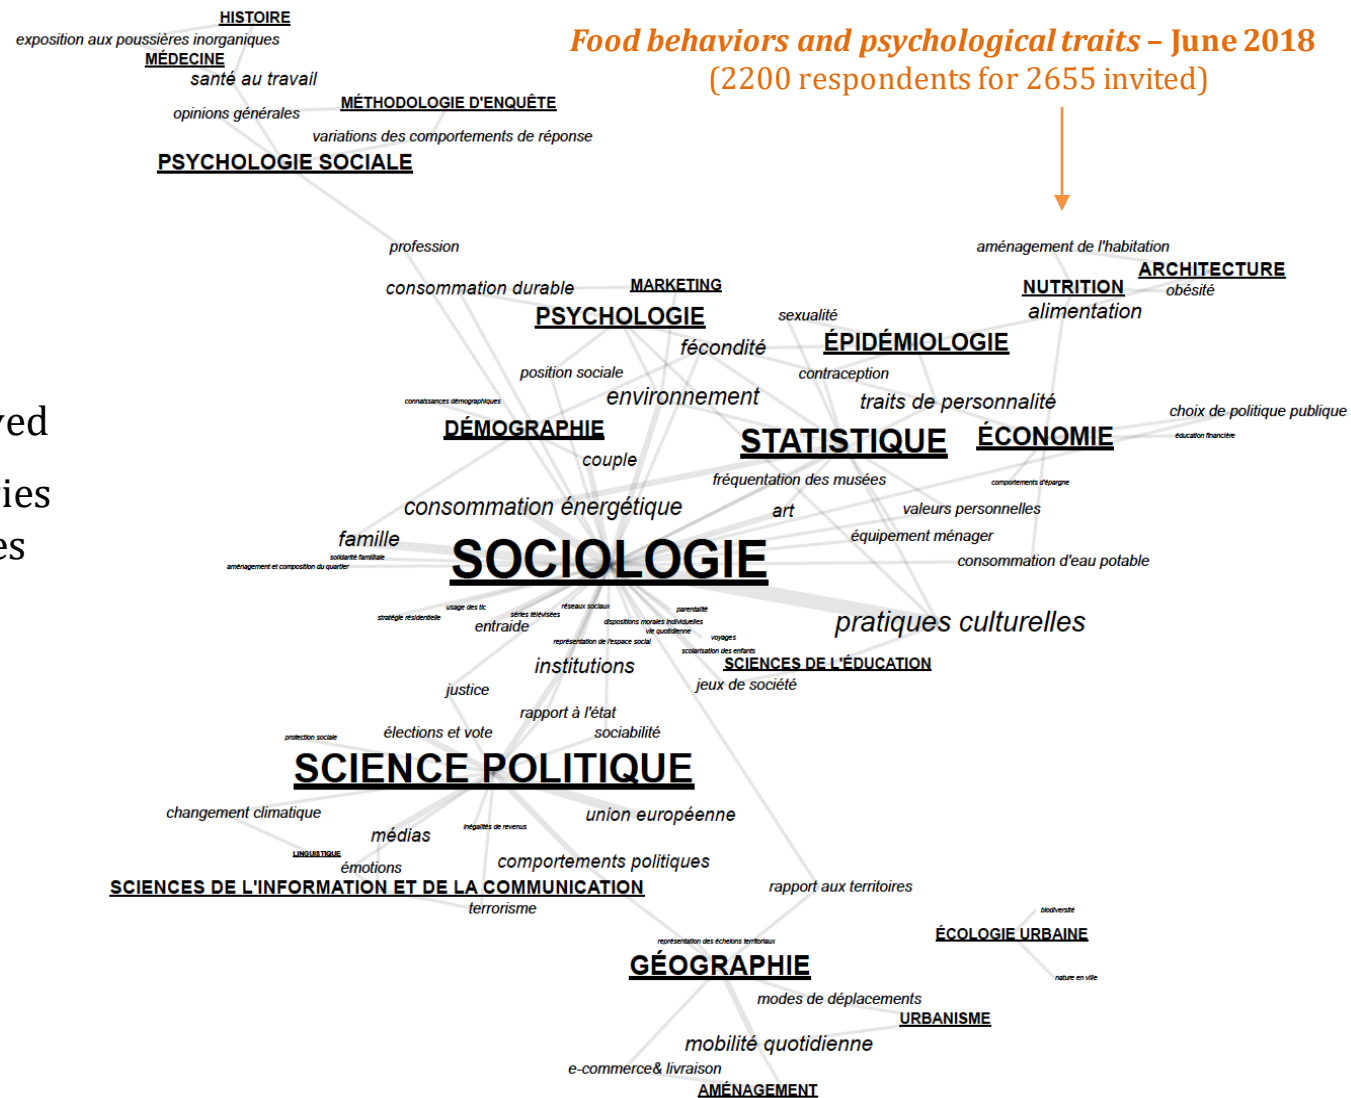

The ELIPSS « service »

- From the submission of a draft questionnaire to the secondary dissemination of data

- 7 call for projects
 - 72 submitted projects
 - More than 375 people involved
 - A wide diversity of laboratories and a broadening of disciplines
- 42 projects accepted
 - 73 data collections
 - 53 datasets available to the research community
